

Monticello Montessori Library News

September - October 2026

Come see all the changes to our library!

There will be a Library Raffle drawing each month this school year!

Raffle items are new and gently used books, coloring books, and Reading Buddies. Students earn tickets by returning library items they've checked out and by doing chores in the library for Mrs. Ovard.

Mark your calendars for the Book Fair!

Wed. and Thu. October 14th & 15th from 11:00 a.m. to 4:00 p.m.

Mon. and Tue. October 19th & 20th from 11:00 a.m. to 4:00 p.m.

(Later by request)

Wed. and Thu. October 21st & 22nd from 11:00 a.m. to 7:30 p.m.

Here is a rundown of the library policies:

A student may check out one library item at a time for one week at a time.

An item's due date is the following week except when there is no school or the library is closed. In those cases the due date is moved to the following week.

A book may be renewed as many times as the student needs, as long as it is brought to the library to be renewed each week and has not been requested by another student.

Reading Buddies and Reading Babies may not be renewed.

There are no late fees for overdue library items but if any item is ruined or not returned the student will owe the replacement cost:

Books vary

Reading Buddies and Reading Babies \$3 each

Library Bags \$3 each

If a library item is returned damaged, but still in usable condition, the student will pay for the damage by working in the library for one or more recesses. The details will be worked out between Mrs. Ovard and the classroom teacher.

Smiles,

Mrs. Ovard

School Librarian
